

SZU

Introduction of SZU and the
Exchange program

深圳大学
SHENZHEN UNIVERSITY

Established in 1983, Shenzhen University (SZU) has become a forefront innovator in higher education. As a fast-rising comprehensive young university, SZU is capable of offering a diverse range of undergraduate and postgraduate programs, as well as a multi-level scientific research and social service system.

SZU ranks among the top 400 World's Renowned Universities and the top 30 Chinese Universities. SZU is nationally and internationally acclaimed for its robust academic community and cutting-edge research. This prospectus serves as a brief introduction to the great success of SZU as an innovative hub and academic center in the Greater Bay Area and beyond.

SZU was founded with a strong sense of commitment and responsibility. Moreover, the university is more committed than ever to fulfilling its mission of nurturing diverse talents for the high-quality development of Shenzhen municipality through excellence in teaching, research, and international exchanges.

Welcome to Shenzhen University, a place where dreams are not simply formed but come true, a place to call your home.

Types of Courses for Exchange Students

- Language courses (undergraduate level)
- Regular undergraduate courses
- Master courses
- Doctoral courses

College	Program
School of Humanities	Philosophy
	History
	Chinese Language and Literature
	Teaching Chinese to Speakers of Other Languages
	Chinese Classics
College of International Study	English
	English (teacher training program)
	French
	Japanese
	Spanish
School of Media and Communication	German
	Journalism
	Advertising
Division of Arts	Internet & New Media
	Digital Media Arts (design planning and management)
	Visual Communication Design
	Environmental Design
	Product Design
	Fashion Design
	Fine Arts
	Perform(Film and television drama)
	Digital Media Arts
	Choreography
	Broadcasting & Hosting Arts
	Musical Performance (instrument)
	Musical Performance (vocal)
	Musical Performance (pop singing)
	Musical Performance (musical composition)
Musical Performance (instrument)	

College	Program
College of Economics	Economics
	Finance
	International Trade and Economics
	Accounting
	Logistics Management
College of Management	Business Management
	Marketing
	Human Resource Management
	E-Commerce
	Information Management and Information System
Law school	Jurisprudence
College of Mathematics and Statistics	Mathematics and Applied Mathematics
	Information and Computing Science
	Statistics
College of Physics and Optoelectronic Engineering	Physics
	Physics(teacher training program)
	Nuclear Engineering and Nuclear Technology
	Measurement and Control Technology and Instrument
	Photoelectric Information Science and Engineering
College of Chemistry and Environmental Engineering	Chemistry
	Environmental Engineering
	New Energy Science and Engineering
	Food Science and Engineering
College of International Exchange	Chinese Language and Literature
School of Sports	Physical education
	Leisure Sports (golf)
	Sports training
	Leisure Sports (leisure tourism)

College	Program
College of Civil and Transportation Engineering	Civil Engineering
	AI in Civil Engineering
	Intelligent Transportation
	Construction Management
College of Materials Science and Engineering	Materials Science and Engineering
	Polymer Materials and Engineering
Faculty of Education	Educational Technology
	Preschool Education
College of Computer Science & Software Engineering	Software Engineering
	Computer Science and Technology
College of Mechatronics and Control Engineering	Mechanical Design Manufacture and Automation
	Automation
	Robot Engineering
Institute of Fintech	Big Data Management and Application
	Fintech
	Blockchain Information Management and Information System
Institute for Advanced Study	Mathematics and Applied Mathematics
	Physics
	Bioscience
	Chemistry

College	Program
Medical School	Biomedical Engineering
	Clinical Medicine
	Pharmaceutical Sciences
	Dental Medicine
College of Life Sciences and Oceanography	Preventive Medicine
	Biotechnology
	Marine Sciences
School of Architecture and Urban Planning	Biological Sciences
	Biological Sciences (teacher training program)
	Architecture
College of Electronics and Information Engineering	Urban and Rural Planning
	Geospatial Information Engineering
	Electronic Science and Technology
School of psychology	Microelectronics Science and Engineering
	Electronic Information Engineering
	Communication Engineering
School of Government	Psychology
	Psychology (teacher training program)
School of Artificial Intelligence	Administrative Management
	Sociology
	Artificial Intelligence (IEEE HONOR)
	Artificial Intelligence

Undergraduate Courses

English Courses information (Undergraduate Level)

* The Language Proficiency of **IELTS 6.0 / TOEFL 90** (or above) is recommended

- **Institute for Advanced Study** - 53 courses
Taught in English (with English textbooks and exams)
But the teaching Language is not 100% English
- **College of Economics**
A. English Version – 43 courses
Taught in English (with English textbooks and exams)
But the teaching Language is not 100% English
B. English courses for International students – 12 courses
- **College of Management** – 20 courses
100% in English
- **Courses by foreign teachers of English Speaking Countries** – 108 courses
Mainly for courses of the College of International Studies
- **Institute of Fintech** – 10 courses
Taught in English (with English textbooks and exams)
But the teaching Language is not 100% English
- **Other English courses** – 6 courses (by College of international exchange & Law school)

Admission Requirements

A registered full-time **undergraduate** or **graduate** student at the home university

Academic:

Applicants are expected to **have an overall academic performance at or above average, with no failing grades**, to ensure they can successfully complete coursework during the exchange period.

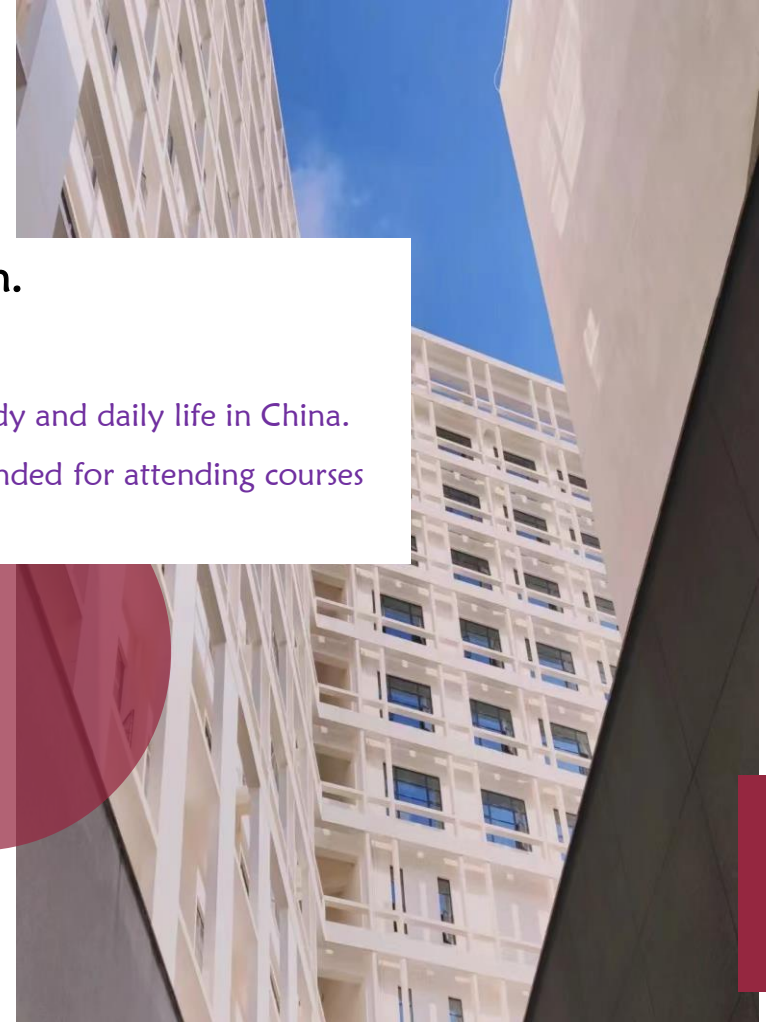

Admission Requirements

Has sufficient English or Chinese proficiency for basic daily communication.

Language certificates or tests are not required, but

- * Students are encouraged to prepare in advance to ensure smooth communication during the study and daily life in China.
- * A language proficiency equivalent to IELTS 6.0 / TOEFL iBT 60–78 or HSK level 4–5 is recommended for attending courses taught in English or Chinese together with our regular students.

Students must have attended their home university for at least **two semesters**(undergraduate students)/**one semester**(graduate students)

Required documents

* The number of exchange students will be determined by the agreement.

In cases of imbalance, negotiation is possible.

Resume

Shenzhen University

Fall semester (September~January)

Nomination (by the coordinator): by April 20
Supplementary form submit (by students): by May 10
Online Application (by students) :March 1 ~ May 20

Spring semester (March~July)

Nomination (by the coordinator): by October 20
Supplementary form submit (by students): by November 10
Online Application (by students) : September 1 ~ November 20

Shenzhen University

How to Apply

1. Nomination

2. Supplementary form submission

2. Online application

4. The confirmation of acceptance

5. Admission Notice and Instructions on the JW202/DQ Visa Form

Accommodation

Accommodation

• WI-FI

• Study Area

• Ensuite bathroom

• Laundry Facilities

• Pantry

Dormitory Fees

(The fee may be waived based on the terms of the exchange agreement.)

International Students Dormitory

6,000RMB / semester/ person/ twin

8,000RMB / semester/ person/ single

Lihu Students Dormitory

800RMB/semester/person, shared by 4-5 students

※Only available for exchange students applying for degree-level courses which belong to the colleges in the Lihu campus.

• Visa Application

Before arrival

X1 Visa (2 semesters): valid within 30 days of entry

X2 Visa (1 semester): valid within 30 days of entry, with only one entry.

The resident permit application is available only for 2-semester exchange students

JW202 form: for 2-semester study

DQ form: for 1-semester study

After arrival

2-semester exchange students are required to apply for the **resident permit** (multiple entry)

1-semester exchange students must **register** at the local police.

Living
in
Shenzhen

Dormitory Fees

Twin=1,200RMB monthly
Single=1,600RMB monthly
